

Title: When in Rome

Year: 2010

genres: Fantasy

ReleaseDate: 2010-01-29

Storyline: Successful and single Beth (Kristen Bell), an art curator at the Guggenheim, is at a point in her life where love seems like a luxury she can't afford. Waiting for the "perfect" romance has embittered her. After flying to Rome to attend her younger sister Joan's (Alexis Dziena) impulsive wedding, she meets Nicholas Beamon (Josh Duhamel). He rescues her in a couple of difficult situations but they are both clumsy. Still, they hit it off.

As Beth comes to believe in love again, she sees Nick kissing another woman, who turns out to be the groom's (Luca Calvani) "crazy cousin." Slightly drunk and jealous at seeing Nick with another woman, she picks up coins (a poker chip, a rare coin, a penny, a trick quarter and a Euro) from the "fountain of love" (probably based on the Trevi Fountain). Joan tells her that legend says if you take coins from the fountain, the owner of the coin will fall in love with you.
