Storyline: Snow White's widowed father the King (Sean Bean) marries an evil sorceress named Clementianna (Julia Roberts), the most beautiful woman in the land. One day, the king leaves to fight a great evil that has invaded the land, but never returns. Clementianna rules in his absence and keeps Snow White in the palace.

Ten years later, Snow White (Lily Collins) desires to see her kingdom. Defying Clementianna's orders, she leaves the palace. Arriving at a forest, she meets Prince Andrew Alcott (Armie Hammer), who has been robbed by dwarves. She and the prince fall in love, but go their separate ways. Snow White arrives in the town, and finds the town folk are destitute due to Queen Clementianna's greed.
