

Title: The Good Place

Year: 2019

Genres: Romance

Storyline: The Good Place is a town where those who have been good throughout their lives go once they have passed away. Michael (Danson) is the architect who oversees the town--and this is the first one he has been in charge of creating. Eleanor (Bell) arrives at the Good Place and realizes they have her name right, but everything else is wrong. She isn't meant to be there at all. With the help of Chidi, her soul mate (Harper), Eleanor tries to right her wrongs, seeking to finally earn her spot in the Good Place.
