Year: 2008

genres: Action Adventure Drama

Duration: PT189M

ReleaseDate: 2008-06-13

Storyline: U.S.-based Bio-technologist, Govind K. Somaiyya, narrates from a stadium a tale of religious conflict in India - even before the appearance of Jesus and Allah. This conflict was between worshipers of Bhagwan Shri Shiv and Bhagwan Shri Vishnu - with devotees of the latter being put to death. Now in post-9/11 era President George W. Bush invests heavily in biological research but things get out of control when a vial containing a deadly chemical is inadvertently dispatched via courier to Tamil Nadu, India. In order to retrieve it, Govind must face heavy odds, including a deadly CIA Agent, Chris Fletcher; a killer named Jasmine; RAW Officer Pranab Kundu, as well as a martial-arts artist from Tokyo.
