

Title: The Prestige

Year: 2006

genres: Drama Mystery Sci-Fi

Duration: PT130M

ReleaseDate: 2006-12-25

Storyline: In the end of the Nineteenth Century, in London, Robert Angier, his beloved wife Julia McCullough and Alfred Borden are friends and assistants of a magician. When Julia accidentally dies during a performance, Robert blames Alfred for her death and they become enemies. Both become famous and rival magicians, sabotaging the performance of the other on the stage. When Alfred performs a successful trick, Robert becomes obsessed trying to disclose the secret of his competitor with tragic consequences.
