

Title: Revan and Reina

Year: 2018

Genres: Drama

Duration: PT98M

ReleaseDate: 2018-06-25

Storyline: Revan (Bryan Domani) and Reina (Angela Gilsha) are friends since childhood, because their house is neighboring. From friends to dating, that's their unique relationship. Although Revan is three years younger, Reina deserves to be comfortable. Reina has a love of the past: Fabian (Irsyadillah). Fabian left Reina with only one spoken word: sorry, without explaining what had happened. After three years Fabian reappeared. Meanwhile, there is Dira (Meisya Amira) who secretly falls in love with Revan. Reina finally knew what Fabian had been covering up all this time. Since birth Fabian developed thalassemia. Fabian left Reina to find a bone marrow donor, the only treatment that could cure her illness. He also rejected his feelings for Reina. Reina faces a dilemma: Fabian or Revan.
