

Title: Valerian and the City of a Thousand Planets

Year: 2017

genres: Action, Adventure, Science Fiction

Duration: PT136M

ReleaseDate: 2017-07-20

Storyline: In the 28th century, Valerian and Laureline are special operatives charged with keeping order throughout the human territories. On assignment from the Minister of Defense, the two undertake a mission to Alpha, an ever-expanding metropolis where species from across the universe have converged over centuries to share knowledge, intelligence, and cultures. At the center of Alpha is a mysterious dark force which threatens the peaceful existence of the City of a Thousand Planets, and Valerian and Laureline must race to identify the menace and safeguard not just Alpha, but the future of the universe.

Written by Abigail L.S. Yardley
