

Title: Clash of The Titans

Year:2010

genres: fantasy

ReleaseDate: 2010-04-02

Storyline: In ancient times, after defeating their predecessors, the Titans, the gods divided the world among themselves. Zeus took the skies, Poseidon took the seas, and Hades was left with the Underworld upon being tricked by Zeus. The gods created the mortals, whose faith and prayers has fueled the gods' immortality. As time passed, however, mortals began to question and soon resist their creators, angering the Olympians. The Olympians wanted to eliminate Man altogether, but Zeus had other plans for man. Zeus disguised himself as the King Acrisius and slept with the queen conceiving a child Perseus. So angry at Zeus, Acrisius murdered his wife and threw her and the child in the ocean. Zeus punishes Acrisius by striking him with lightning and turning him into the deformed creature Calibos.
