

Title: Uppi 2

Year: 2015

genres: Action Mystery Thriller

Duration: PT135M

ReleaseDate: 2015-08-14

Storyline: A psychological thriller which depicts the fact that "Today is a gift - that's why it's called Present" in an unusual way. It is about a man called Neenu, who lives in the present. The film takes the audience through a journey of his life by detailing why Neenu lives in the present, by exploring his past and his future - both as seen by different people in Neenu's life. The film also highlights that happiness can be attained by means other than wealth.
