

Title: Fashion

Year: 2008

genres: Drama Romance

Duration: PT167M

ReleaseDate: 2008-10-29

Storyline: Set against the glittering backdrop of the glamorous but ruthless world of haute couture fashion, this is the story of a small town girl with big dreams. Meghna always knew she was meant to be famous, but she was about to find out the hard way that success came at a price. Fashion is the tale of what happens when the price of success becomes too much to pay
