

Title: Resident Evil: Apocalypse

Year: 2004

genres: Action, Horror, Science Fiction

Duration: PT94M

ReleaseDate: 2004-09-10

Storyline: As the city is locked down under quarantine, Alice joins a small band of elite soldiers, enlisted to rescue the missing daughter of the creator of the mutating T-virus. It's a heart-pounding race against time as the group faces off against hordes of blood-thirsty zombies, stealthy Lickers, mutant canines and the most sinister foe yet.

Written by Alan Goluboff, Alexander Witt, Cameron Kuc, Carol Pears, Grant Lucibello, Pierre Henry

Actors: Aaron Abrams, Alex Courey, Amber Marshall, Ana Danilina, Annabel Chu
