Storyline: While admiring a rose blooming in the winter, Queen Eleanor of the kingdom of Tabor pricks her finger on one of its thorns. Three drops of blood fall onto the snow-covered ground, and she wishes for a daughter as white as the snow, with lips as red as the blood, hair as black as a raven's wings and a heart as strong and defiant as the rose. Queen Eleanor gives birth to her daughter, Snow White, but falls ill and dies several years later. After her death, Snow White's father, King Magnus, and his army battle an invading dark army of demonic glass soldiers. Upon rescuing their prisoner Ravenna, the King becomes enchanted with her beauty and marries her.

Ravenna is in fact a powerful sorceress and the Dark Army's master. On their wedding night, Ravenna confesses there was a king much like Magnus that hurt her. She declares she cannot be a weak queen and kills Magnus before unleashing her invading army upon the kingdom. Snow White's childhood friend William and his father, Duke Hammond, escape the castle but are unable to rescue her, and she is captured by Ravenna's brother Finn and locked away in the north tower of the castle for many years.
